DYNAMIC ABUTMENT® SOLUTIONS

DYNAMIC ABUTMENT SOLUTIONS IN POLAND

Stomatologia Pastor facilities opened their doors to us together with our dealer in Poland, **KTI Implants**. We had the pleasure to talk with **Doctor Sławomir Pastor** and be able to share how to solve cases with our **DAS #Multi-Unit SYSTEM**. Also, we presented our new Guided Surgery project. During our stay in Poland together with KTI Implants we also revisited the **Zfx Wrocław Milling Center**, as well as the **SmileLab Karol Puđło** in Ligoc. It has been a pleasure to share experiences with the best professionals in the dental sector.

From May 19th to 21st we will be at the **EXPODENTAL** exhibition in **Rimini**, as well as at the **ADI TEAM CONGRESS** in **Manchester** where we will present our new projects; the new MultiUnit-DAS system and a Guided Surgery project. Visit us at our booth **#187** at the **EXPODENTAL Rimini** and **#60** at the **ADI TEAM CONGRESS Manchester** and get to know all the news of Dynamic Abutment Solutions.
