DYNAMIC ABUTMENT® SOLUTIONS

## DAS TRAINING MEXICO TOUR 2022

Together with our distributor in Mexico **SIMO SOLUCIONES EN IMPLANTOLOGIA** we did a Tour to bring dental professionals closer to the latest digital technologies aimed at dental clinics and laboratories, with live demonstrations of all the processes necessary for the digital flow.

They tried first-hand our products and angled solutions to solve the most complex cases they encounter in their day-to-day work.

## NEW COLLABORATION: 3SHAPE

DAS libraries validated  
for **Implant Studio  
(3Shape)**.

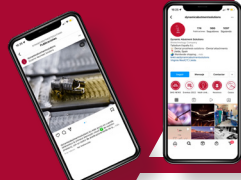

New gingival heights available.  
You can see all the compatibilities **in our catalogue**.

## NEW COMPATIBILITIES: TI-BASE
